Travel Vlogger

PROFILE

I am a highly motivated and hardworking individual seeking a challenging role in a reputable organization where I can apply my skills and continue to grow. My goal is to leverage my expertise in front-end development, video editing, and storytelling as a travel vlogger to create impactful experiences and drive innovation.

PROFESSIONAL EXPERIENCE

Bitbeast Private Limited

October 2023 – September 2024

Ahmedabad, Gujarat, India.

- My expertise in HTML, CSS, JavaScript, React JS and Ant Design has enabled me to create efficient, user-friendly, and visually appealing interfaces.
- Working on live projects has honed my problem-solving abilities and deepened my understanding of real-world application development.
- I continuously strive to enhance in my skill set by staying updated with emerging front-end technologies and industry trends.
- In addition to my front-end development skills, I create engaging vlogs that provide insights into company projects and team achievements.

Freelancing

Existing projects

- I work as a freelance designer and editor, bringing creative ideas to life.
- My expertise includes designing eye-catching banners, logos, and cartoon images.
- I also take on video editing projects, enhancing visuals with a professional touch.
- I develop personalized websites with a responsive layout for desktops, tablets, and smartphones.
