

Vivek Chauhan

Front-end Developer and Travel Vlogger.

PROFILE

I am a highly motivated and hardworking individual seeking a challenging role in a reputable organization where I can apply my skills and continue to grow. My goal is to leverage my expertise in front-end development, video editing, and storytelling as a travel vlogger to create impactful experiences and drive innovation.

- Website Development
- Chess (Intermediate)
- Vlogging
- Problem Solving
- Video Editing

PROFESSIONAL EXPERIENCE

BitBeast Private Limited

Ahmedabad, Gujarat, India.

October 2023 – September 2024

- My expertise in JavaScript, React.js, and Ant Design has enabled me to create efficient, user-friendly, and visually appealing interfaces.
- Working on live projects has honed my problem-solving abilities and deepened my understanding of real-world application development.
- Guidance from senior team members has allowed me to refine my skills and adopt best practices in frontend development.
- I continuously strive to enhance my skill set by staying updated with emerging frontend technologies and industry trends.
- In addition to my frontend development skills, I create engaging vlogs that provide insights into company projects and team achievements.
